PROFILE OVERVIEW

English major at a Foreign Language Specialized School with a strong interest in systematic learning and careful reasoning. Through close reading and constant comparison of ideas, I have developed a habit of thinking that values clarity, coherence, and consistency, while remaining attentive to broader contexts and practical applications.

ACADEMIC PROFILE

Foreign Language Specialized School

English Specialized Program | Sep 2023 - Jun 2026 expected

- GPA: | Grade 10: 9.7/10 | Grade 11: 9.7/10 | Grade 12: 9.7/10 (1st term)
- SAT: | 1570/1600 | 800/800 Math | 770/800 Reading & Writing
- IELTS: | 8.0/9.0
- RANK: | Top 1% of a cohort of 705 students

RESEARCH EXPERIENCES

Developing Green Credit in Japan

Published on Asia-Pacific Economic Review (ISSN 0868 - 3808) | Dec 2025

Second Author | Aug - Nov 2025

- Examined Japan's green credit system to assess transparency, reporting standards, and structural challenges in sustainable finance.
- Analyzed the role of commercial banks and the Bank of Japan in climate-related lending, including green bonds and green loans.
- Assessed disclosure practices and classification standards affecting the credibility of green finance instruments.
- Outcome: Derived policy-relevant lessons on improving transparency and reporting frameworks, with implications for emerging-market green finance systems.

The Nexus of Policy, Technology, and Integrity: Charting the New Frontiers of International Carbon Markets (Full Paper in Progress)

Abstract accepted for presentation at the International Conference: Carbon Markets for Sustainable Transition | Oct 2025

Held by Foreign Trade University, Hanoi, Vietnam | Forthcoming, Mar 2026

Research Assistant | Sep 2025 - Present

- Studied compliance and voluntary carbon markets, focusing on governance, integrity, and market effectiveness.
- Analyzed major policy frameworks, including Article 6 of the Paris Agreement and the EU Carbon Border Adjustment Mechanism.
- Investigated integrity challenges (additionality, oversight) and the role of AI and blockchain in improving monitoring and trust.
- Outcome: Identified key policy and technological factors necessary to strengthen transparency and credibility in international carbon markets.

AWARDS & HONORS

Reading Culture Ambassador Competition | Vietnam National University
Third Prize | Nov 2025

Reading Culture Ambassador Competition | University of Languages and International Studies, Vietnam National University
Prospective Award | Nov 2025

- Conducted literary analysis of the “Vietnamese Legend Thánh Gióng” on national aspiration.
- Designed an asset-light literacy initiative using village loudspeaker systems for ethnic minority and border communities.

LEADERSHIP PROJECTS

Summer Program | Canadian English Council
Division Leader | Jun 2024 & 2025

- Led a 20-member team delivering English workshops to 150 students (aged 10-15) in an intensive four-week program.
- Coordinated weekly with academic and operations leadership to translate program plans into daily execution.
- Standardized lesson flow, monitored implementation through reports, and conducted onboarding training.
- Outcome: Program executed according to plan with no unresolved scheduling or staffing issues.

HQmaths Club
Head Teaching Assistant | Apr 2024 - Present

- Coordinated a team of 5 peer tutors providing mathematics support for 150 secondary students.
- Organized level-based study groups and ensured consistency of instructional materials.
- Outcome: Many participating students achieved scores of 9/10 or higher in high school entrance examinations.

EXTRACURRICULAR EXPERIENCES

Accounting & Finance Department | Canadian English Council
Intern | Mar 2024 - Present

- Supported transaction recording, invoice verification, and systematic financial documentation.
- Assisted with reconciliation and improved traceability of financial records.
- Outcome: Internal checks confirmed complete and consistent documentation with no missing records.
